

Live The FreeLife!

Few people are ever at the right place at the right time. If you are reading this, you could be one of the people who are. It is every Direct Sales marketer's dream getting involved in a ground-floor opportunity with tremendous upside potential, but avoiding the significant risks of start-up opportunities.

To put it another way, joining a 12-year-old, rock-solid, debt-free, *Inc.* 500 company with unmatched credibility that is entering momentum and expanding internationally, and whose CEO and Co-Founder Ray Faltinsky, a Yale Law School graduate, was asked to join the industry's top Leaders by sitting on the Board of Directors for the United States Direct Selling Association (DSA).

What more could you ask for? How about the fact that FreeLife International has burst onto the Direct Sales radar screen with the launch of what Earl Mindell, the world's foremost authority on nutrition and exclusive FreeLife Product Formulator calls "the most important product for wellness that I have seen in the last 40 years."

With consistent growth every quarter, FreeLife has entered the first phases of momentum. And with rapid international expansion, FreeLife expects that momentum to continue for many years to come.

The opportunity to build a worldwide business in FreeLife is a reality. With e-system software, FreeLife's compensation is seamless internationally, increasing the already huge potential for financial wealth. And so much more
